

**Action Items From the
PASSCAL Standing Committee Meeting
Seattle, Washington March 1 – 2 , 2007
Hosted at the IRIS-DMC**

Attending Committee Members: Alan Levander (AL; chair), John Collins (JC), Matt Fouch (MF), Artie Rogers (AR), George Zandt (GZ), Tom Pratt (TP), Aibing Li (AL)

Absent Committee Members: Ray Russo, Stephane Rondenay

Other Attendees: Tim Ahern (TA), Marcos Alvarez (MA), Rick Aster (RA), Bruce Beaudoin (BB), James Fowler (JF), Steve Harder (SH), Shane Ingate (SI), Frank Vernon (FV).

Action Item

Add an extra \$150K to the budget request for PIC staff travel. This will enable the staff to provide better field support for the experiments.

PASSED- unanimous support.

Action Item

Initiate amortization of broadband sensors by purchasing 30 new BB sensors to this years' budget

PASSED- unanimous support

Action Item

The ES Flexible Array instrument mix between active source and broadband instruments should not be altered from the mix specified by Change Order 11.

PASSED- unanimous support

Action Item

We suggest that IRIS examine the possibility of submitting an MRI for 70 additional BB stations for PASSCAL

PASSED- unanimous support

ACTION ITEM-

Send information to PI's about;

- Telemetry costs
- PASSCAL field personnel costs
- PASSCAL field personnel policy

PASSED- unanimous support

Action Item

There are no funded PASSCAL programs with telemetry so put the equipment in mothballs for now, will revisit this at a future meeting.

PASSED- unanimous support
