

October 2022

Distributed Acoustic Sensing Research Coordination Network Steering Committee Call
October 13, 2022 11am ET

In attendance: Herb Wang, Kasey Aderhold, Matt Becker, Lucas Zoet, Rob Mellors, Aleksei Titov, Bob Woodward, Jonathan Ajo-Franklin, Cliff Thurber, Scott Tyler, Marie Macquet, Nate Lindsey, Eileen Martin, Danica Roth, Dante Fratta, Yingping Li

Agenda

- Announcements and Updates
 - Call for Nominations: NAS Ocean Acoustics Education and Expertise
 - DAS Instrumentation Showcase - Webinar Part 5 on October 19th 10am ET
 - DAS RCN Community Forums - Next one November 10th 11am ET
- Working Group Updates
 - Data Management Working Group (Mellors)
 - Engineering and Urban Seismology Working Group (Fratta)
 - CO2 Working Group (Macquet)
 - Cryosphere (Zoet)
 - Overall RCN-Wide Publication Tracking
 - Leveraging Cross-Disciplinary Aspect of the RCN
- Event Planning
 - DAS at AGU 2022
 - DAS Field Experiences
 - DAS Month in February 2023
 - DAS RCN Capstone Workshop
 - DAS RCN Webinar Series

Action Items

- AI(Kasey/Rob): Follow up on DAS data white paper presentation at the November 10th event and finalize presenters and program.
- AI(Working Group Leads/Kasey): Implement the decided-upon RCN-wide publication product (e.g. website, database, etc) and populate with contributions from all working groups.

Recommendations

- Recommendation: DAS RCN will respond to the “Call for Nominations: NAS Ocean Acoustics Education and Expertise” by sending in a nomination/letter of support for individuals already nominated by DAS RCN members and/or working groups.
